

Pre-Installation Checklist

- Please move furniture or valuable pictures and home décor away from the work area.
- Please remove all window treatments. (We will not remove them).
- Have a clear work space, approximately 20 feet x 20 feet, in the driveway or garage during installation.
- Please keep children and pets away from work areas.
- Any landscape covering windows must be trimmed back creating reasonable work space.
- Please communicate with us ahead of time regarding alarm systems.
 - Our Install team will disconnect contacts, but are not responsible for reconnection.
 - Reconnection should be scheduled with your alarm service provider, if required, at the time of window and/or door installation.
